Vereinigung des administrativen
und technischen Personal
der Universität Zürich

5th V-ATP Flea Market on 27. October at UZH

Every household and office gathers unused items that are functioning but no longer in use. Bring these to the **complimentary flea market** in the Lichthof of the UZH and delight others! You might even find a couple of cool things for yourself.

What we like you to bring:

Everything you can carry (with both hands) that is **not damaged and clean**: clothing, shoes, books, CDs, DVDs, dishes, sports equipment, pictures, small furniture, trinkets, toys for children and much more...

What we don't like you to bring:

Damaged/unkept items, large furniture, hazardous waste (paint, chemicals...), groceries, computers, screens, technical equipment, etc.

Spring clean-up in fall: V-ATP supports sustainability!

When: Wednesday, 27. October 2021, from 9am to 3pm

Important: We only accept deliveries until noon
Please have your covid certificate ready

Where: Lichthof of the University, Rämistrasse 71 (KOL)

Organized by: V-ATP
